

Bid Process Ground Rules For 2015 Winter Games

Cities/Regions interested in bidding on the 2015 Canada Winter Games are not to:

- Promote themselves in any form that would suggest that they are/will be hosting the 2015 Canada Winter Games (eg: website, logo development, letterhead, pins, etc...)
- Use the Canada Games logo for any reason
- Commit themselves or the Canada Games to any sponsors
- Have any contact with the Canada Games Council except through the method prescribed below:
 - o questions regarding the bid process that come up between January 8, 2009 and May 31, 2009 should be sent in writing to Chris Graham at the BC Government
 - o questions related to contact with the Host Societies of 2009, 2011 or 2013 and any NSOs who may be on the schedule (for such things as requests for specific information, site visits, venue requirements, officials training and the like), should also be sent in writing to Chris
 - o If Chris is unable to answer the questions and they are not specific to any of the work that the Council will be carrying out between January and May (ie: sport selection, hosting standards, evaluation weighting, etc..), then they will be forwarded to CGC
 - o Any replies to those types of questions will be sent to all potential bid communities for their information
